This 5 days CSA specially tailored, exciting and interactive program for me to strengthen and sharpen my skills, provide insights to achieve work/life balance and develop business acumen. An excellent program that helps me to analyse my strength and improvement areas with better understanding.

AGM – Jimah Energy Sdn. Bhd.

It was a great course with comprehensive topic coverage and tools. It helps management and company to determine its DNA in their vision, corporate culture, products as well as the immediate and long term future plan. Lastly it is about how you are going to leave a legacy with the company.

COO – Darabif Meat Company Sdn. Bhd.

CSA program was absolutely stunning, inspirational and engaging. Dr. Oliver Ho provided an excellent review of the subject in each ear with his great presentation and outstanding disposition – while challenging us with practical exercises and excellent insights into the dynamics of teamwork. The techniques, methods, videos and powerpoint presentation was extremely clear, fun and good. The CSA program was more than I expected and I took back the skills to build a better business plan for my company.

Operations Manager – Le Reve Malaysia

The CSA program is unlike any other management or process training course I have ever attended. It was well structured and extremely comprehensive. Even for those who already held an MBA, it was not only a refresher as to the fundamentals of business principle, but it sheds a whole new perspective as to how one can shape their business for the future.

Highly enjoyable and incredibly relevant, I would not hesitate to recommend this course to any senior manager, CEO or entrepreneur who wants to boost up their business to the next level.
